

## International Clean Energy Challenge: 33 under 33

3.4.2019

**WSED- World Sustainable Energy Days organiser, OÖ Energiesparverband, is launching a new initiative called “International Clean Energy Challenge: 33 under 33”, that will be held from 22 to 26 July 2019 in Spital am Pyhrn (Upper Austria).**

The aim of the event is to find **fresh solutions and new ideas for sustainable energy in buildings**, industry and transports. 33 young innovators under 33 -born after 1985- coming from all disciplines (business, engineering, economics, social sciences, law etc.) and from all over the world will **develop concrete solutions for fostering the clean energy transition.**

The [application](#) is open until the 10<sup>th</sup> of April.

Feel free to spread the word about the International Clean Energy Challenge also across your network!
